GREATEST WONDER OF THE AGE.

PATENT GALVANIC RING, AND MAGNETIC FLUID.—These words ful Rings, and the Gelvanic Fluid, have created a great sensation throughout Europe, and are attracting crowds to see them, both in New York and Boston. They cure with astonishing rapidity rheumatism, gout, tic-doloreux, fits, cramp, sick headache, indigestion, paralysis, stiff joints, general debility, deficiency of nervous energy, and all nervous disorders. They preduce all the beneficial results of the ordinary galvanic battery, or electric and magnetic machines, without the injurious shocks which always accompany their application. The secret of preparing the Ring was discovered by Professor Harmane Christie, of London, in October last, and they have been recently introduced into this country by Dr. A. Christie, who warms the American public, from the beginning, to beware of spurious mitations. To guard against fraud, he will appoint but one agency in each of the cities of the United States.
